

**Outline of Online Application
for
Irish Cancer Society Research Scholarship Programme 2012**

Note: Parts 1-3 to be completed jointly by the Applicant and Supervisor
Part 4 (Personal Statement) to be completed by the Applicant
Part 5 (Declaration of Support) to be completed and signed by Supervisor, Head of Department/School and Applicant

1. Proposed Host Institution and Research Supervisor

Name of Host Institution
Address
Name of Supervisor in Research Team
Supervisor contact details
Name of Principal Investigator in Research Team
Cancer Type
Keywords
Research Type
Discipline
Research Location
Methodologies
Start date
End date

2. Proposed Doctoral Degree by Research

Proposed PhD Title
Scientific Abstract
Relevance of research to patients
Lay description
Project Outline
This includes the following:

1. Basis for Research (e.g. previous research carried out by the research team or others)
2. Hypothesis and Aims
3. Research Strategy (including fall-back strategy if initial investigations prove unfruitful)
4. Methods of Research (main techniques)
5. Objectives for First Year
6. References
7. Details of and collaboration with other PhD students/departments/research bodies
8. Details of any travel requirements for research or training purposes
9. Research Images
10. Generic and cancer specific training modules
11. Mobility elements
12. Clinical / Industrial placement
13. Other Sources of Funding

- a. Name source, total amount requested and date of request. List all support for this research from other sources, including support from host institution
 - b. If you are applying for part-funding of an ongoing programme, then please detail the programme and show how this funding will contribute.
- Reason for support requested

3. Financial Information

Year 1 Year 2 Year 3 Year 4

- A. Applicant's Stipend (max €18,000 p.a.)
 - B. Registration Fees (max €6,000 p.a.)
 - C. Consumables
 - D. Training and conferences
 - E. Mobility Elements
 - F. Dissemination Costs
- Total Costs:

4. Personal Statement

The personal statement should include only relevant information, to add merit to your application, under the following headings:

1. Reasons for pursuing a PhD in Cancer Research
2. Reasons for choosing proposed research centre and supervisor
3. Expectations upon completing PhD
4. Other achievements or interests
5. Awards received

5. Declaration of Support

Declaration of Support from Proposed Supervisor

(Please include the reasons why you believe this applicant should receive an ICS Research Scholarship, and details of how you will support the applicant if he/she is awarded a Scholarship)

Declaration of Support from Head of Department/School

(Please include details of the support your department/school will provide to the applicant to support them and their research project during their proposed Scholarship) (e.g. infrastructure, office and/or laboratory space, relevant equipment and technologies, training facilities etc.)

We support this application and hereby accept the conditions of this application as published with the call for proposals on the www.cri.cancer.ie website

Signed by:
